# SafeDial™ 1345

Powerful solutions to drive your business.

Are you receiving a rebate on calls from your alarm panels?

Every time your customers' security system reports opens and closes, is triggered by an event or sends a test, you are eligible to be paid a call rebate! We have devised a process that is simple and easy for you to start receiving rebates immediately, whether you need a new number or have an existing service in place.

Receive a *rebate of 12 cents or more for every call made from your alarm panels using the SafeDial 1345 service.

...providing access to your call details with customised reports for all your SafeDial services.

✓ Run customised reports
✓ See your last 6 months call details in graphical format
✓ Receive SMS & email alerts for alarm panels making excessive calls.

Here's how it works…

- Globe Telecom allocates you with a SafeDial 1345 number.
- This number is terminated at your nominated Control Room.
- Each security panel at your customer's premises is then programmed with your new SafeDial 1345 number. (Not required if porting an existing 1345 service).
- Your customer is charged a flat 35 cent local call via the 1345 number. (Alarms, Reports, Openings and Closings).
- Globe Telecom settles with the various Telco providers in regards to settlements with each
- Rebates are paid monthly in arrears into your nominated bank account.

Advantages of a 1345 number with Globe Telecom.

- Application process is simple and expedient (existing 1345 numbers can be ported immediately!).
- **No upfront fees or ongoing charges.**
- **No term contracts.**
- You own the SafeDial number and is therefore fully portable, so you can change your control room without ever having to re-program your customer's alarm panels again.
- Rebates paid on time – every time, each month with complete reporting.
- Ability to view your 1345 call details via MySafeDial, updated every 3 hours.
- SMS/email alerts are sent advising of alarm panels making excessive calls.

*Rebates are offered in accordance with Globe Telecom and their elected Service Providers Terms & Conditions.
